Girl Scouts of Northern California has a great mission to accomplish: building girls of courage, confidence and character who make the world a better place. We also have a long standing commitment to diversity and inclusion. In everything we do we strive to serve girls that reflect the diversity of our communities because we want every girl, no matter who they are or where they live, to benefit from a Girl Scout experience. What better way to know that we are doing our job than to ask our members about their demographics. That is why we need your help! We are hoping to update your registration to reflect your current information. This information (as defined by the US Census) is for statistical purposes only.
